

# 2018 Sponsorship Opportunities

## YMCA of Dane County, Inc.

Whether you're an individual offering a helping hand or you represent an organization that wants to give back, supporting the Y is a real way to make a difference in the lives of many. All donations support our financial assistance program, ensuring that no one is turned away due to the inability to pay.

### Presenting Events Sponsorship: \$10,000

Be a community leader by supporting our two, major philanthropic events! Your sponsorship includes: banner recognition in all three Dane County YMCA facilities; foursome and hole sponsorship at the YMCA Golf Classic; table for eight (8) at the Party with a Purpose dinner; and logo recognition in promotional materials (online and print), event signage and event program and verbal acknowledgment at both events.

### Annual Campaign Banner Program: \$1,000 & Up

Your support makes it possible for children, families and adults to access life-changing Y memberships and programs. Annual Campaign support is recognized through colorful banners prominently displayed in the branch of your choice to be seen by the tens of thousands of Y members and guests visiting our facilities each year.

- I will contribute \$1,000 to the 2018 Annual Campaign!
