

PRESCHOOL

2010-2011

YMCA PART DAY PRESCHOOL

YMCA Part Day Preschool runs September through May. We strive to provide a developmentally appropriate curriculum in a child-centered environment of warmth, friendliness and freedom. Your child will have opportunities for exploring, experimenting and questioning, which will encourage curiosity, creativity and expression. We provide an opportunity to develop self-confidence, creativity, social skills, gross and fine motor skills. Since all children are individuals, we believe in developing the whole child emotionally, physically, intellectually and socially, while meeting each child's own needs and learning styles. Our part day preschools are city of Madison accredited and State Licensed. They have undergone a comprehensive process of self-study and external professional review to verify compliance with criteria for high quality Early Childhood Programs.

YMCA YEAR ROUND FULL DAY CHILD CARE

Children will learn about the world around them through a variety of opportunities in these state licensed child care programs. Throughout the day children will participate in a structured learning environment. Our purpose is to provide a safe, wholesome, creative, and educational learning experience. A curriculum is developed that enhances creativity, social skills, physical and emotional development. It will encourage hands on activities and active learning through games, group activities, songs, creative drama, gym time, outdoor play, and story time. Children will learn more about numbers, the alphabet, shapes, and colors. These full day programs offer child care from 6:30 am-6:00 pm, Monday-Friday, to accommodate your schedule. The YMCA provides breakfast, lunch, snack and a rest period.

Accepting registrations year round.
